Blue and Gold

The Blue and Gold

CLASS MOTTO

"He who conquers himself, conquers all."

Class Flower

Red and White Rose

Class Color

Navy Blue and White

We will be the last class to graduate from Jackson-Liberty. Some of us will be happy to leave, others will be sad.

This will be the last annual published for Jackson-Liberty and we hope it is a good one.

Editor

Dedication

Ralph Carroll was born in Wood County near Waterville May 21st 1929 to Mr. & Mrs. Forrest Carroll. He attended Grand Rapids, Ohio High School. He graduated from Toledo University in 1954 with a Bachelor of Science Degree. Mr. Carroll then taught at West Unity for five years.

In 1958 Mr. Carroll graduated with a Master of Education from Toledo University. Mr. Carroll started teaching at Jackson-Liberty in 1959.

Mr. Carroll resides in Kansas, Ohio with his wife Shirley, Kindergarten teacher, and their three year old son Michael.

We, the 1961 graduates of Jackson-Liberty wish to dedicate this last edition of the Blue and Gold to Mr. Ralph Carroll who has shown great interest in the students of Jackson-Liberty.

This year we would also like to dedicate the annual to the parents of the Senior Class. They did a good job of helping when help was needed.

A D M I N I S T R A T I O N

Seniors:

Nearly a thousand years ago a man in Persia wrote, "The moving finger writes and, having writ, moves on—" in describing our inexorable march into history. Each year at graduation time we are struck again by our ability to share common thoughts with a man dead for forty generations.

True, it certainly is, that this class will leave and many others will come to take its place. Yet each class and each individual leaves a mark on the school and every person in it.

In concluding his thoughts on this matter, Omar Khayyam said,

"Nor all thy Piety not wit

Shall lure it back to cancel half a line.

Nor all thy tears wash out a word of it."

The best of luck to the class of 1961. May the writer of history be kind to you.

—Victor C. Wood

Seniors:

Our American way of life is being seriously questioned and even threatened by the recent world changes and upheavals.

Have your past four years of study and training given you a basis for understanding and judgment for now and the future?

If you can honestly say yes to the above question, then this school will be an active part of your life henceforth.

Our best wishes go with you and may your achievements be many.

CLASS PROPHECY

The Class of '61' had gathered for a reunion in "1971". It was decided to meet at a park located near the Lakota School. The rural area was now covered with houses and the amusement park had been built as a recreation center for the community. It was a beautifully quiet and peaceful park although it was active with many people on the day of our reunion.

I had invited Carolyn, who now owned her own beauty parlor, to take a week's vacation with me. School had not started yet so I did not have to worry about leaving my job. Upon arriving at the park and become reacquainted with all our classmates, we decided to attend a special show at the amusement park.

We found the theatre where the exhibit was being given. The bill board read like this "Now visit the stone age: this time machine can take you there." I understood that by sitting in this machine 20 to 30 people could visit the stone age at once, so the whole class went into the machine. After finding a seat Carolyn and I fastened our safety belts and were ready for the trip, although we were a little worried we laughed nervously as the lights began to dim.

In a few minutes the room became completely dark and I got the feeling we were beginning to spin. I soon became so dizzy I could not hold up my head, all of a sudden I fell.

I got up and looked around me but saw nothing but long green vines and tall trees. As I wandered around still a bit dizzy I soon met Carolyn staggering through the vines. I laughed when I saw her, she did look quite comical in a dress made out of monkey fur. Her hair looked as though it hadn't been combed in a week. She soon began laughing at me, as I didn't look very good in my monkey fur either.

We walked a little further and soon met Nurse Ruth Ann, and Nurse Winifred helping Patty, and Dian who had gotten tangled up in vines on the ground. After recovering from their fall we found that Patty was a filing clerk and Dian a bookkeeper for a large firm in New York.

The six of us walked on until we met the three musketeers, Mary Ann, Sharon and Barbara who were engaged in chatter with Kay, Wilma, Nancy and Sue. After joining the group we found that Barbara and Kay were working for airlines in Florida. Sharon and Wilma were Secretaries to senators in Washington. We also were happy to learn that Mary Ann owned a dress shop in Chicago. Nancy

informed us that she was an IBM machine operator and Sue was a dental technician.

All of the girls being accounted for we started searching for the boys. We came upon a clearing where a pole had been erected at either end and some sort of hoop was fastened to it. We soon had an explanation when Roger, Dale, Bob, Jerry C. and Carl C. came through the trees carrying a large stone. We learned that they were going to use this for a basketball. They began playing and we decided to sit and watch. We gathered a few facts and found that Roger had become a dentist. Bob was an important business man, and Dale was working in Arizona. Jerry and Carl informed us that they were foremen in factories near Detroit.

After resting a while we decided to look for the rest of our classmates. We soon found them resting under a tree discussing their jobs.

Tom told us that he, Duane, Dallas and Carl F. had been exploring the forest and had found tracks of large monsters. Barry and Paul then asked an important question "What if some wild animal should attack us, what would we do for protection?" At this time our great white hunters Ray, Ken, and Jerry S. began to search for something that would offer us some protection.

Having nothing else to do the boys went exploring and we girls sat down under a tree to discuss the latest fashions. We soon decided we would not care to wear the monkey fur dresses, we had on now. We also discussed an important problem, how are we going to get back to civilization.

While we were sitting under the tree thinking we heard a loud noise, it sounded like a huge horn, after this we heard loud yelling. We looked up to see the boys running through the clearing closely pursued by an enormous Tyrannosaur, which is the largest meat-eating animal that ever lived. We quickly scrambled to our feet and began running as fast as possible through the forest, but it seemed like the faster we ran the closer he came, all of a sudden I felt like I was falling, everything became dark.

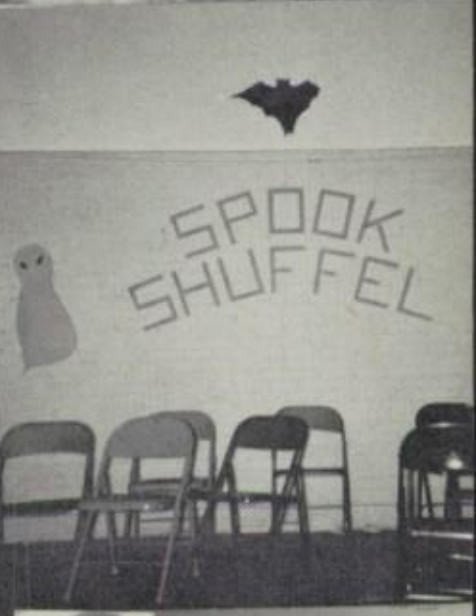

When the light began to return I found I was sitting among my classmates back where we had started. We were so glad to be back that we left the building thinking of how wonderful it was to be alive in the year "1971".

The Girl Next Door

Andy, a teen-ager who suddenly becomes very interested in mowing the lawn while new neighbors are moving in next door. Mrs. Irving, his mother, cannot understand his sudden burst of ambition until she sees June! June might be described as the typical "girl next door" only more so. She talks a lot and it's all intended to make boys like Andy feel like big, strong heroes. Mr. Irving finds her chatter almost as annoying as the flurry his wife is causing by preparing for the homecoming of their eldest child, Alice. Alice has been living in New York endeavoring to become a writer. She has succeeded and the whole town is reading her best selling book.

Clark, the boy she gave up for fame and fortune, apparently hasn't forgotten Alice and is one of the first to come around to congratulate her. Andy hasn't much time for his sister after her arrival. June has promised to go to an important high school dance with him. Mr. Irving is having some financial troubles, however, and refuses to buy Andy the necessary tuxedo. Andy is frantically trying to borrow one when his mother notices red spots on his face. Andy has the measles! It is a tragedy of course! The dance is that evening and a rival is waiting to take June in case Andy doesn't show up. Andy's troubles are important only to himself, how-

ever, when Alice is forced to blurt out the truth about her book. It isn't the best seller everybody thinks! In fact, she considers herself a failure. In the midst of her woe, the banker's daughter whom Clark has been dating in Alice's absence, decides to try a few tricks to get him back. Everybody ends up in a mess of trouble which all has a way of turning out for the best. June stays home to nurse Andy, Alice becomes a success in a surprising way and gets Clark too, while Mr. Irving's financial troubles are solved.

 THIRD ROW: Coach John Windnagle, Tom Walters, Manager, Jim Harpster, Manager, Jim Slick, Gary Boff, Ray Micklovic, Ron Rienhart, Ivan Fox, Frank Cook, Ray Jennings, Charles Williams, Assistant Varsity Coach and Head Reserve Coach Stanley Trupo.

Dallas Drenning

Dallas was a boy who gave us a great deal of co-operation and willingness to play football. We were glad to have you Dallas.

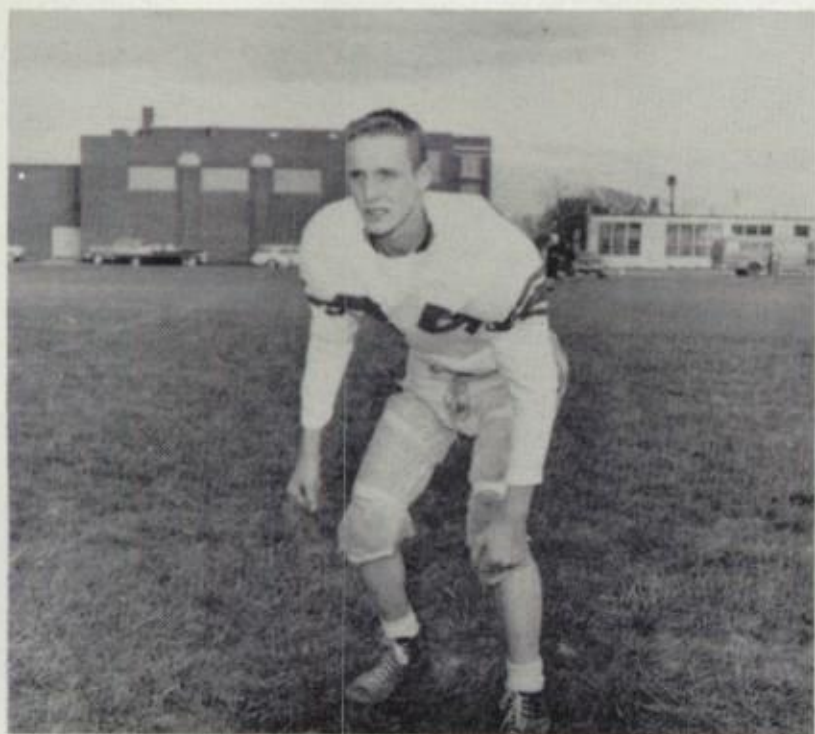

Roger Harris

Roger is the type of boy that was out for football and he wanted to play. He came out for football in August and he was determined to play. Glad to have you Roger.

Dale Thaxton

Dale is the type of boy who came out to play football and that was what he did. Dale worked hard and enjoyed playing football. Glad to have you Dale.

Jerry Coleman

Jerry didn't get to play much football, but he was at practice everyday. This is the type of boy that makes a team a success.

Carl Feasel

Carl didn't get to play too much this year, but we feel that if he were coming back, he would play a lot of football.

Jerry Snyder

Jerry didn't get to see much action, but he was there every day. Jerry could always be depended upon to fill in if he was needed.

ALL YOUR GET UP AND
AND

F. F. A. BASKETBALL

FIRST ROW: Paul Minich, Tom Watkins, Don Scherger, Dallas Drenning, Jerry Snyder.
SECOND ROW: Jim Slick, Danny Earl, Pat Scherger, Larry Lucius, Martin Hammer, Jerry Coleman, Coach.

Feb. 23 Clyde came over to beat us, but they went home after getting beaten 53 to 42. Then on Feb. 28 Townsend tried the same thing, but they went home after getting beaten 60 to 48. Then came the tournament, there were five teams—Risingsun, Jackson Burgoon, Clyde, Townsend, and Jackson Liberty. The first night of the tournament Jackson Liberty and Risingsun played, Jackson Liberty winning 78 to 18. The winner of that game was to play Clyde, but Clyde didn't appear so they forfeited that game. The same night Jackson Burgoon played Townsend and Jackson Burgoon won 43 to 32. The next night was the play off. The first game was between Risingsun and Townsend. Townsend won 47 to 28. Then came the finals between Jackson Burgoon who were undefeated and Jackson Liberty who were defeated three times by Jackson Burgoon. Jackson Liberty won with a 53 to 34 victory. That made us the Champions.

BASKETBALL

The first Lakota Raiders basketball team participated in the Sandusky Bay Conference. The Lakota team compiled a league record of three wins, four losses, and an overall record of nine wins, eleven losses.

The nine wins on Lakota's record were over the following teams: Woodville, Genoa, Oak Harbor, Mohawk, Genoa, Townsend, Sandusky St. Marys, Green Springs, and Fremont Ross. The eleven defeats came at the hands of the teams from Port Clinton, Fremont St. Joe, York, Clyde, Eastwood, Woodville, York, Carey, Tiffin Calvert, Elmwood, and Fostoria.

The tournament action in which Lakota took part was held at the Fremont Ross High School. In the first game we played, we met the Ross High team and defeated them. Then the following night we played Fostoria and were defeated by them, thus ending the first Lakota basketball season.

FOOTBALL

Opening game with Woodville was a very exciting moment for all the Lakota players. This proved to be correct for the Raiders collected a total of 85 yards in penalties, but we finally came through with an 18-6 victory.

On Sept. 16th the Raiders suffered their first defeat to Elmore. The score was 28 to 8, but knowing the Raiders, they took full advantage of the loss. They came back in the next game to defeat the Green Springs Bobcats 36 to 6.

The Raiders next game was with the large, and hard hitting Otsego team. Size, however was not the deciding factor in this game, for the Raiders rolled over the Otsego team with an impressive score of 32 to 0.

After establishing two very nice victories, the Raiders came in contact with the Lake Flyers. The Flyers, said by many, to be the first real tough team that Lakota would encounter, but the Raiders were not disturbed at this statement and disposed of the Flyers with a score of 32 to 6.

Oct. 14 was the date when the Raiders really had to prove their ability. This game with the Grand Rapids team would determine who would be battling for top honors in the San-Wood League. Well, as the old saying goes, "The best team will win" and win we did, by a score of 28 to 0.

There must have been a big celebration in Bloomdale on Oct. 21st for that was the day Elmwood defeated the Raiders. It was home-coming night for the Royals and that added a great deal to their team's ability. The Raiders, however did not let this loss bother them for they had a very important game coming up the following week. This game meant more to the Raiders than any other game they had ever played, for it was with the Maumee Valley Country Day School. This school hadn't been beaten in the San-Wood League for four years and they were expected to win the League Championship again this year. This game between Maumee and Lakota would determine who would be the San Wood Champs so the Raiders worked hard and came up with a victory. The score was 20 to 14 and everyone was very happy.

Although the Raiders had won the Championship they still had one game remaining with Perkins. The Raiders might have won this game too, if they hadn't already played the Championship. The Perkins game was expected to be a battle of defenses and that it was. There was only one effective play run all night and that play defeated Lakota 8 to 0.

The entire Lakota District was very pleased with the fine job of coaching done by Mr. Strahm, Mr. Koepfer, Mr. Trupo, and Mr. Windnagle. We hope the boys can repeat the excellent job they did this year.

BASEBALL AND TRACK

The staff regrets that we are unable to have a picture of the Lakota Baseball team. However, we would like to name the players: Jerry Coleman, Clair Houdeshell, Bill McGough, Don Kirkwood, Carl Cessna, Bob Salisbury, Carl Feasel, Jim Roth, Jerry Snyder, Paul Minich, Dave Hedden, Leroy Coleman, Dick Joseph, Gary Watkins, Dennis Myers, Mark Sharrock, Charles Willams, Chuck Berkmire, Ken Hardy, Mike Fike, Herb Vroman, Jim Gschwind, Paul Gschwind, Harky Kaiser, Ed Gary, Larry Beelowe. Managers: John Minich, Dan Roth, Albert Hughes.

The team has eighteen games scheduled this year. We would like to wish them luck.

We were also unable to have a picture of the Lakota track team so we will name the boys participating: Larry Lucius, Dale Stewart, Roger Harris, Cliff Hartline, Terry Book, Larry Stull, Earl Haas, John Chudzinski, Jim Boatman, Jim Reinhart, Duane Copsey, Steve Wyant, Ray Brockschmidt, and Darrel Holman.

The team will participate in six track meets and we would like to wish them luck.

OUR LAKOTA FOOTBALL COACHES

Mr. Koepfer was an outstanding football player while he attended Bowling Green State University. He was named as the most valuable lineman on the Falcon team in 1957. After his graduation from Bowling Green he had a brief trial in pro football with the Detroit Lions and the Los Angeles Chargers. Mr. Koepfer is married and has three children. He and his family now reside in Fostoria, Ohio.

Mr. Trupo is the coach of the Freshman squad as well as assistant coach for the varsity. He played football at Elyria, but, because of injuries he was unable to compete in college. He graduated from Bowling Green State University. He and his wife and daughter now live in Amsden, Ohio.

Mr. Strahm attended Toledo Libbey High School,

where he was a three letter man. He also played football at Toledo University. Upon his graduation from college he returned to Libbey High as assistant football coach and Head wrestling coach. Then from Libbey he came to Lakota and became the head coach for the first Raider football team.

Mr. Williams is the principal at the Risingsun School Building and also the athletic director for the Lakota Schools.

Mr. Windnagle assisted Mr. Trupo with the Freshman team and helped all the coaches during regular season. He backs the Lakota teams all the way. It would be a big help if all the Lakota fans had the enthusiasm he has.
